wojciech materski s book from the tsars to the tsar gives a synopsis of the politics of memory practiced by russia from the sixteenth to the twenty first century he shows how irrespectively of the period in its history russia s politics of memory have always been used as a tool to integrate the country s inhabitants reinforce the cult of their leader cultivate the social attitudes and stereotypes its rulers wanted the people to embrace and relativize their mistakes and crimes the broad perspective materski adopts provides a very substantial supplement to earlier work on the subject or in fact takes the time range he considers much further offering the latest highly original and thoroughly researched synthesis of russia s politics of memory from the sixteenth to the twenty first century these qualities alongside the current geopolitical situation overshadowed by russia s invasion of ukraine make wojciech materski s book an attractive offer not only for historians political scientists sociologists and specialists in international relations but also for students and non specialists looking for information on russia s history and foreign policy

this gripping historical narrative relates the circumstances that led to the end of the romanov dynasty and

the russian aristocracy the heartrending struggles of the peasants the violence and bloodshed of the revolution and the rise of the new social order and its far reaching consequences that continue to be felt in russia today in addition to the causes of the russian revolution and the events that led to civil war the narrative delves into the mindset of the bolshevik leadership and recounts the profound transformation and industrialization of the economy in the soviet era

this text has established itself as the best general introduction to russian history providing a forceful and highly readable survey from earliest times to the post soviet state at the heart of the book is the changing relationship between the state and russian society at large the second edition has been substantially rewritten and updated and new material and fresh insights from recently accessible research have been incorporated into every chapter

wojciech materski s book from the tsars to the tsar gives a synopsis of the politics of memory practiced by russia from the sixteenth to the twenty first century he shows how irrespectively of the period in its history russia s politics of memory have always been used as a tool to integrate the country s inhabitants reinforce the cult of their leader cultivate the social attitudes and stereotypes its rulers wanted the people to embrace and relativize their mistakes and crimes the broad perspective materski adopts provides a very substantial supplement to earlier work on the subject or in fact takes the time range he considers much further offering the latest highly original and thoroughly researched synthesis of russia s politics of memory from the sixteenth to the twenty first century these qualities alongside the current geopolitical situation overshadowed by russia s invasion of ukraine make wojciech materski s book an attractive offer not only for historians political scientists sociologists and specialists in international relations but also for students and non specialists looking for information on russia s history and foreign policy

a riveting account of the last eighteen months of tsar nicholas ii s life and reign from one of the finest russian historians writing today in march 1917 nicholas ii the last tsar of all the russia s abdicated and the dynasty that had ruled an empire for three hundred years was forced from power by revolution now robert service the

eminent historian of russia examines nicholas s life and thought from the months before his momentous abdication to his death with his family in ekaterinburg in july 1918 the story has been told many times but service s deep understanding of the period and his forensic examination of previously untapped sources including the tsar s diaries and recorded conversations as well as the testimonies of the official inquiry shed remarkable new light on his troubled reign also revealing the kind of russia that nicholas wanted to emerge from the great war the last of the tsars is a masterful study of a man who was almost entirely out of his depth perhaps even willfully so it is also a compelling account of the social economic and political ferment in russia that followed the february revolution the bolshevik seizure of power in october 1917 and the beginnings of lenin s soviet socialist republic

wojciech materski s book from the tsars to the tsar gives a synopsis of the politics of memory practiced by russia from the sixteenth to the twenty first century he shows how irrespectively of the period in its history russia s politics of memory have always been used as a tool to integrate the country s inhabitants reinforce the cult of their leader cultivate the social attitudes and stereotypes its rulers wanted the people to embrace and relativize their mistakes and crimes the broad perspective materski adopts provides a very substantial supplement to earlier work on the subject or in fact takes the time range he considers much further offering the latest highly original and thoroughly researched synthesis of russia s politics of memory from the sixteenth to the twenty first century these qualities alongside the current geopolitical situation overshadowed by russia s invasion of ukraine make wojciech materski s book an attractive offer not only for historians political scientists sociologists and specialists in international relations but also for students and non specialists looking for information on russia s history and foreign policy
