brings together an extensive and varied collection of ninety one classical and contemporary readings on ethical theory and practice integrating literature with philosophy in an innovative way this anthology uses literary works to enliven and make concrete the ethical theory or applied issues addressed

featuring new selections chosen by coeditor Lewis Vaughn the third edition of Louis P. Pojman's *The Moral Life: An Introductory Reader in Ethics and Literature* brings together an extensive and varied collection of ninety one classical and contemporary readings on ethical theory and practice integrating literature with philosophy in an innovative way the book uses literary works to enliven and make concrete the ethical theory or applied issues addressed in each chapter literary works by Camus, Hawthorne, Hugo, Huxley, Ibsen, Le Guin, Melville, Orwell, Styron, Tolstoy, and many others lead students into such philosophical concepts and issues as relativism, utilitarianism, virtue ethics, the meaning of life, freedom and autonomy, sex, love and marriage, animal rights, and terrorism once introduced these topics are developed further through readings by philosophers including Plato

aristotle kant nozick singer and sartre this unique anthology emphasizes the personal dimension of ethics which is often ignored or minimized in ethics texts it also incorporates chapter introductions study questions suggestions for further reading and biographical sketches of the writers the third edition brings the collection up to date adding selections by jane english william frankena don marquis john stuart mill mary midgley thomas nagel judith jarvis thomson and j o urmson it also features a new chapter on euthanasia with essays by dan w brock j gay williams and james rachels ideal for introductory ethics courses the moral life third edition also provides an engaging gateway into personal and social ethics for general readers

as the perfect companion to introduction to ethics courses dell olio and simon s reader includes the most influential ethical theories without overwhelming the beginning student it contains a variety of readings encompassing contemporary and classic philosophers male and female perspectives of both western and non western ethical traditions and readings in both theoretical and applied ethics introduction to ethics comprises of thirty seven essays divided into nine chapters the first chapter introduces the nature of moral theory with a brief account of the different moral theories that will follow in the text chapters 2 through 8 are each devoted to a particular moral theory with readings that represent the position and those who challenge it accompanied by an application of the theory to a particular moral problem finally chapter 9 offers readings in practical guidance on living a good life each chapter has a brief introduction that provides an overview of the selection with pointers on what to note as the selection is read and concludes with a series of thought provoking study questions and a selection for further reading making it easier for students to understand and appreciate their reading

this collection of classic and contemporary readings in ethics presents sharp competing views on a wide range of fundamentally important topics moral relativism and objectivism ethical egoism value theory utilitarianism deontological ethics virtue ethics ethics and religion and applied ethics the fourth edition dramatically increases the volume s utility by expanding and updating the selections and introductions while retaining the structure that has made previous editions so successful

offering students an accessible in depth and highly practical introduction to ethics this text covers argumentation and moral reasoning various types of moral arguments and theoretical issues that commonly arise in introductory ethics courses including skepticism subjectivism relativism religion and normative theories the book combines primary sources in moral theory and applied ethics with explanatory material case studies and pedagogical features to help students think critically about moral issues

in ethics in the gospel of john sookgoo shin seeks to challenge the dominant scholarly view of john s ethics as an ineffective and unhelpful companion for moral formation in order to demonstrate the relevance of john s ethics shin argues that the development of discipleship in john s gospel should be understood as moral progress which was a well known moral concept in the ancient mediterranean world having drawn an ethical model from the writings of plutarch this study aims to identify the

undergirding ethical dynamic that shapes John's moral structure by bringing out the implicit ethical elements that are embedded throughout John's narratives and thus suggests a way to read the whole gospel ethically and appreciatively of its literary characteristics

practicing communication ethics development discernment and decision making presents a theoretical framework for developing a personal standard of ethics that can be applied in everyday communication situations this second edition focuses on how the reader's communication matters ethically in cocreating their relationships family workgroups and communities through an examination of ethical values including truth justice freedom care integrity and honor the reader can determine which values they are ethically committed to upholding blending communication theory ethics as practical philosophy and moral psychology the text presents the practice of communication ethics as part of the lifelong process of personal development and fosters the ability in its readers to approach communication decision making through an ethical lens

this volume begins with an autobiographical sketch and culminates in a conversation with Jean Grondin that looks back over a lifetime of productive philosophical work

this lively anthology provides classic and contemporary defenses and critiques of the central ethical theories along with readings on a selection of moral issues such as freedom of expression immigration and the treatment of non human animals generous excerpts of canonical texts are included alongside contemporary works all carefully selected and thoughtfully edited for student use readings on the ethical theories are organized intuitively by implicit source of value god human nature culture reason consent character emotion care particulars and intuitions the interconnections among readings amplify teaching possibilities and create a vigorous conversation about morality
